

De la Selva®

FLAVORS THAT MAKE YOU FEEL GOOD

Product Catalog

We are a Bolivian agro-industrial company with 20 years of experience in the agricultural and food sector.

We specialize in the production and export of hearts of palm and canned pineapple, 100% natural and high-quality products. We have 300 hectares of our own plantations and a modern industrial plant of 3,500 m², equipped to meet strict quality standards. We export to various international markets, including Latin America, Europe and the Middle East. Our focus is on innovation and development of products that respond to current trends consumer.

De La Selva works under international standards.

Our manufacturing facilities and products are registered and approved by the **FDA of the United States of North America.**

Canned Hearts of Palm

Palmito is a vegetable extracted from the heart of some palm tree species native to South America. Palmito De la Selva is produced in the heart of South America, Bolivia.

It contains minerals, vitamins and a lot of fiber. A healthy option to include in your daily meals.

Pineapple

Pineapple is a tropical fruit with a beautiful color and a pleasant sweet and sour taste. When ripe, it has a unique fragrance. It can be eaten raw or as an ingredient in juices, preserves, liqueurs, etc.

Its caloric content is low, and both the fruit and the leaves are used in the preparation of medicinal compounds.
